- Pipeline Commissioning
- Pipeline Maintenance & Repair
- Pig, Launcher & Receiver
- Inspection Services

Protection, Monitoring & Corrosion Control

- Coating Materials & Technologies
- Corrosion Management & Protection Systems
- Pipelines Risk Management

3rd Iranian Pipe & Pipeline Conference

Conference Programs

- Lectures by Keynote Speakers
- Lectures by Iranian & International Professors and Scholars
- Scientific & Technical Papers Presentations
- Scientific & Technical Posters Presentations
- Case Study Presentations
- Call for Solutions
- New Technology Hall
- Pipe & Pipeline Equipment & Services Exhibition
- Achievements & Developments by Research Institutes, Companies & Universities

www.IranPipeTech.com

Call for Papers

The conference welcomes original contributions through its website: www.iranpipetech.com. Please prepare your papers in line with the conference topics and guidelines.

Conference Registration

- Attendance to all sessions
- Conference Proceedings
- Entry visa
- CIP (Airport, Hotel & Conference Venue Transportation)
- Four nights stay at 5 Star Hotel
- Spouse Attendance (Free)

Registration Type	Fee (Euro)	Fee (USD)
Single	1.300	1.800
Group Registration (3 or more delegates)	1.150	1.600
Conferences Attendance Only	550	770
Virtual Participation	200	280

New Technology Hall

Pipe & Pipeline companies with access to state-of-the-art technologies can demonstrate their capabilities in the New Technology Hall.

"Pipe & Pipeline Equipment & Services Exhibition"

During the conference, "Pipe & Pipeline Equipment & Services Exhibition" will be held for the companies in this field to present their services & equipment.

■ Conference Secretariat:

442 Beheshti Ave., Tehran, Iran
Phone: (+98 21) 88558492 - 8
Fax: (+98 21) 88719960
